## Notes on packages and services (for T&C's please refer to the booking form):

1. All packages include an optional meeting before the wedding to discuss the wedding details, requirements and desires.
2. All the images that are handed over to our clients are edited, high resolution, and are not watermarked.
3. Raw, unedited images are available at R2500.
4. Duplicate albums are available at a 30% discounted price for up to 30 days after the first album has been delivered, thereafter normal rates apply.
5. There is a 100 km travel allowance included in all the packages, and it is a total travel distance, thus 50km each way from Northcliff, Johannesburg. After this allowance a rate of R2.50 p/km will be charged and billed after the wedding.
6. We will travel anywhere for your wedding. Please contact us if you have a destination wedding for further information and a custom quotation.
7. We prefer to start 2 hours before the wedding ceremony, but it is your choice as to when you want us to start.
8. Provided that the bride and groom prepare for the wedding ceremony at the same venue, we will cover both events simultaneously.
9. Wedding coverage includes getting ready, ceremony, group photos, couple session and reception images for as long as the package permits.
10. Extra coverage time at the wedding can be requested on the wedding day, and will be billed afterwards at R950 p/hour. We have the right to decline this request however as we might have commitments that we have planned for after your wedding. Please speak to us if you think you might need extra hours on the wedding day.
11. DVD's will be shipped 5-6 weeks from the date of the wedding or from the date of final payment, whichever comes last.
12. Shipping costs outside of Gauteng are not included in the packages.
13. We use AsukaBook ([www.asukabook.com](http://www.asukabook.com)) to create our albums because of the quality of their books and their consistently excellent service. The standard book we include in *Package Y* and *Package Z* is a 60 page album (30 spreads), with a hard cover and book jacket, protected with a stylish slip in case with your names embossed on it. The pages are high quality soft pages with a luxurious matte finish. Please follow this link for an example of what the albums look like <http://www.benviljoenphotography.co.za/what-do-the-albums-look-like/>. Additional pages can be ordered, as well as different sizes. Please enquire for more information.
14. Below is a price sheet for prints that can be ordered through the studio. These prices are applicable to the print credit included in our packages, as well as any additional prints you may want to order through us. All prints are available in a gloss or lustre/matte finish. Our personal preference is the lustre/matte due to the aesthetic, durability and all round usefulness (they can be effectively framed behind glass for example).
